

## Lesson 9 Worksheet

Name \_\_\_\_\_ Date \_\_\_\_\_

*Using the OLMIS educational Information Center, answer the following questions:*

1. How many schools teach a “Medical Lab Technician” program in Oregon?
  
2. Which one? (*list the name*)
  
3. Which school in Deschuttes County, Oregon offers courses in Massage ?
  
4. List the contact information (address, phone, and web site address, if applicable).
  
5. Select “Apprenticeships” in the step 2 of the Educational Information Center interface, click on the last continue button in step 3, and then follow the links to program information. Which agency sponsors information about apprenticeships?
  
6. Select Statewide and Apprenticeships, then click on the third continue button in step three. Find “Concrete Finisher” Answer the questions below.
  - a) What is the job ID#? \_\_\_\_\_
  - b) Is it a union job? \_\_\_\_\_
  - c) Where could you get information about applying?

7. Use the space below to write a letter requesting an application and more information about one of the programs you explored on this worksheet. In the first paragraph, explain how you found out about them, and what information you are looking for. In paragraph 2, provide information about where they can send you information and thank them for their help.

Date:

Dear \_\_\_\_\_

Sincerely,
