Data Elements Overview

The following Data Element Definition sheets are arranged alphabetically by Data Element Name to facilitate ease of use. Each sheet contains the following information about the data element defined:

Data Subject Area This describes the general scope of the element within the system. An element can be as limited in scope as to only affect a single table or as global in scope as to affect all tables.

Valid Values:
- Agency Customers
- Agency Outcomes
- Agency Services
- Edit Exception Processing
- Labor Market Experience
- Performance Measure Reporting
- Episode Calculations
- Report exception processing
- Standard Record Identification
- Subject Information
- System Controls
- Transmittal Processing
- Validation and Description

Data Item This is a verbose name for an element. These names are intended to describe an element as it would be described in conversation.

Data Element Name This is a concise name for an element as it actually appears in the database.

Aliases A variation of the Data Element Name used in the database.

Format This describes the form the element assumes once inserted into the database. In some instances, such as with dates, the element may arrive as a character field and be converted to date format as a by-product of the edit/update function. For this reason it is important to note the form of the element in each file and table in which it appears.

Length Where applicable, length of the item as it is stored is provided. In the case of dates and number fields, length is for reference only and cannot be accurately used to calculate row sizes.

Valid Values The contents of this field will be; the actual values allowed in the field, a direction to the description area for a list of values or a reference to a validation table containing acceptable values.
**Source**  
This describes where the data originates. All agencies indicate data coming from one or more of the partner agencies. Other sources of data include calculated, computed and system generated.

**Valid Values:**  
Agency Submitted  
Cross-walked from firm id of primary employer  
Employer Tax System  
Federal Employment Data Exchange System  
North American Industry Classification System

Credential Code

Data Subject Area: Agency Outcomes
Data Item: Credential Code
Data Element Name: CREDENTIAL_CODE
Aliases: CRED_CD, CODE
Format: Character
Length: 2
Valid Values: See Below
Source: Agency Submitted

Definition:
A code indicating the type of recognized diploma, degree, or a credential consisting of an industry-recognized certificate or certification, a certificate of completion of a registered apprenticeship, a license recognized by the State or Federal Government, or an associate or baccalaureate degree attained by the participant who received training services. These are the available credentials, awards, licenses, degrees, either formal or informal, an individual may receive through education, work readiness, apprenticeship, or industry specific.

Detail:

10 = Education

11 = Secondary School Diploma or recognized equivalent – A document certifying the successful completion of a prescribed secondary school program of studies, or the attainment of satisfactory scores on the General Educational Development (GED) test or another state specified examination. (WIOA PIRL Data Element 1800 Response 1)

12 = Postsecondary Awards/Certificates/Diplomas – A formal award certifying the satisfactory completion of a post-secondary education program. Includes Career Pathway programs and any other that is less than an Associate’s or Bachelor’s Degree but is awarded by a recognized educational institution.

13 = Postsecondary Awards/Certificates/Diplomas – Less than one year.

14 = Postsecondary Awards/Certificates/Diplomas – More than one year but less than two years.

15 = Postsecondary Awards/Certificates/Diplomas – More than two years

16 = Associate’s Degree – An award that normally requires at least 2 but less than 4 years of full-time equivalent college work. (WIOA PIRL Data Element 1800 Response 2)

17 = Bachelor’s Degree – An award (baccalaureate or equivalent degree) that normally requires at least 4 but not more than 5 years of full-time equivalent college-level work. (WIOA PIRL Data Element 1800 Response 3)

18 = Postbaccalaureate Certificate – Some colleges and universities offer programs for which a first undergraduate degree is a pre-requisite, but which are usually not considered traditional graduate education. Such programs are sometimes offered under the umbrella of continuing education and may lead to a second graduate degree, a certificate or credential, or to a pre-medical master's degree in a field such as biomedical or health sciences. These are commonly referred to as post-baccalaureate programs. Such courses of study may be used to prepare students for graduate or professional school or for a different career or profession.
19 = Master’s Degree – An award that requires the successful completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor’s degree.

20 = Doctor’s Degree – The highest award a student can earn for graduate study. Classification includes such degrees as Doctor of Education, Juridical Science, Public Health, and Philosophy in any field such as agronomy, food technology, education, engineering, public administration ophthalmology or radiology.

(Codes 19 and 20 = WIOA PIRL Data Element 1800 Response 4)

30 = Work Ready
31 = National Career Readiness Certificate (NCRC) – A nationally-recognized career aptitude certificate that validates an assessment of participant skills in Mathematics, Reading for Information and Locating Information (interpreting charts, graphs, maps).
32 = Bronze
33 = Silver
34 = Gold
35 = Platinum

40 = Soft Skills
Assesses skills and abilities required for success in participant relations, decision making, commitment to quality, personal qualities, responsibility, self-esteem, self-management, and sociability.

50 = Apprenticeship
51 = Certificate of Completion – Issued by the US Department of Labor or a State Apprenticeship Agency.

52 = Interim Credential – Issued by the US Department of Labor. Interim credential means a credential issued by the Reregistration Agency, upon request of the appropriate sponsor, as certification of competency attainment by an apprentice.

(Codes 51 and 52 = WIOA PIRL Data Element 1800 Response 6)

60 = Industry Specific
61 = Occupational License or Occupational Licensure
A credential awarded by a government agency that constitutes legal authority to do a specific job. Licenses are based on some combination of degree or certificate attainment, certifications, assessments, or work experience; are time-limited; and must be renewed periodically.

Characteristics:
- Typically granted by Federal, state or local government agencies.
- Mandatory in the relevant jurisdiction.
- Intended to set professional standards and ensure safety and quality of work.
- Required in addition to other credentials.
- Defined by laws and regulations.
- Time-limited and require renewal based on meeting on-going requirements.
- Violation of the terms of the license can result in legal action.

(Occupational Licensure - WIOA PIRL Data Element 1800 Response 5)

62 = Certification –
A credential awarded by a certification body based on an individual demonstrating through an examination process that he or she has acquired the designated knowledge, skills, and
abilities to perform a specific job. The examination can be either written, oral, or performance-based. Certification is a time-limited credential that is renewed through a recertification process.

Characteristics:
- Granted by third-party non-governmental agencies, usually associations and by companies.
- Intended to set professional standards for qualifications, such as a certification for a crane operator or a Novell Network Certified Engineer.
- The standards for certifications are not defined by government laws or regulations.
- Usually requires successful completion of an examination or assessment, which indicates mastery of competencies as measured against a defensible set of standards.
- Standards are set through a defensible, industry-wide process of job analysis or role delineation that results in an outline of required knowledge and skills.
- Usually require a set amount of work experience or professional/practical experience.
- Usually must be renewed in some way after a certain time period based on meeting certain requirements for renewal.
- Voluntary - although state licensure boards and employers may specify certification as part of their requirements.
- Violation of standards or requirements can result in suspension or revocation of certification.

Homeless Individual, Homeless Children and Youths, or Runaway Youth at Program Entry.

A flag indicating whether the participant, at program entry:
(a) Lacks a fixed, regular, and adequate nighttime residence; this includes an individual who:
   (i) is sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;
   (ii) is living in a motel, hotel, trailer park, or campground due to a lack of alternative adequate accommodations;
   (iii) is living in an emergency or transitional shelter;
   (iv) is abandoned in a hospital; or
   (v) is awaiting foster care placement;
(b) Has a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, such as a car, park, abandoned building, bus or train station, airport, or camping ground;
(c) Is a migratory child who in the preceding 36 months was required to move from one school district to another due to changes in the parent’s or parent’s spouse’s seasonal employment in agriculture, dairy, or fishing work; or
(d) Is under 18 years of age and absents himself or herself from home or place of legal residence without the permission of his or her family (i.e., runaway youth).

This definition does not include an individual imprisoned or detained under an Act of Congress or State law. A participant who may be sleeping in a temporary accommodation while away from home should not, as a result of that alone, be recorded as homeless.

**Service Code**

**Data Subject Area:** Agency Services  
**Data Item:** Type of Service  
**Data Element Name:** SERVICE_CODE  
**Aliases:** SRVCD_CODE, CODE  
**Format:** Character  
**Length:** 3  
**Valid Values:** See Below  
**Source:** Agency Submitted

**Definition:**

This field records the service(s) the participant is currently involved in or has received.

Multiple service types are allowed within each program.

Each service type (within a program) will typically result in two records, one with the start date and one with the end date.

**Detail:**

050 = Self-service self-enrollment  
051 = Staff assisted enrollment  
100 = Assessments  
110 = NCRC – Taking the NCRC test.  
111 = Promotion – Providing the job seeker substantive information about the NCRC including information on registering for the exam.  
120 = Service Requirements – Staff assistance in the use of assessment tools to evaluate skills, interests, and aptitudes and/or the review of results and recommendation of next steps.  
130 = College Entrance – Taking an assessment to determine placement in post-secondary education.  
140 = Basic Skills – Taking a standardized assessment that determines either a grade level or Educational Functioning Level at which the participant computes or solves problems, reads, writes, or speaks English.  
150 = Eligibility Assessment – Services provided and activities performed to determine whether the individual is eligible to receive assistance.

Example: Vocational Rehabilitation assigns an individual to a priority category that operates under an order of selection, and/or to determine the nature and scope of VR services to be included in the IPE. This may include trial work experiences and extended evaluation. Assessments to determine eligibility, assignment of a priority category or the nature or scope of services to be included on the IPE include, but are not limited to psychological assessments, audio logical evaluations, dental and medical exams and other assessments of personality, interests, interpersonal skills, intelligence and related functional capacities, educational achievements, work experience, vocational aptitudes, personal and social adjustments, and employment opportunities of the individual and the
medical, psychiatric, psychological, and other pertinent vocational, educational, cultural, social, recreational, and environmental factors that affect the employment and rehabilitation needs of the individual.

160 = Initial Skills Review – Initial assessment of skill levels including literacy, numeracy, and English language proficiency, as well as aptitudes, abilities (including skills gaps), and supportive service needs;

170 = Interviewed – To report the collection of information by interview about an individual’s education, work history, and vocational skills. Staff may also discuss job-finding issues that could potentially result in the referral to a supportive services provider. Staff may provide information and services available through the one-stop delivery system.

171 = Enrolled in education or training program leading to a recognized postsecondary credential or employment. This code applies to the Measurable Skill Gains Indicator, and specifically will be utilized to calculate the denominator. It encompasses all education and training program enrollment. (WIOA PIRL Data Element 1811)

172 = Enrolled in an education or training program leading to postsecondary credential after program exit. This element only applies to participants who exited secondary education and obtained a secondary school diploma or its equivalency. This data element applies to the Credential Rate numerator. This element is not to be confused with service code 171 - Enrolled in an education or training program leading to a recognized postsecondary credential or employment, which encompasses all education and training program enrollment and captures those enrolled during program participation, not post-exit. (WIOA PIRL Data Element 1406)

200 = Education
205 = Elementary/Middle Education – Enrolled at or below the 8th Grade level.

210 = ABE – Enrollment in Adult Basic Education instruction with structured, formal written curriculum designed to systematically address a basic skill deficiency. Classes may be self-paced with individualized instruction. The length of instruction depends on student needs. Student progress is monitored and testing is done to measure student progress. (Response 04 within WIOA PIRL Data Elements 1303, 1310, 1315)

220 = Secondary Education (WIOA PIRL Data Element 1401) – Enrollment in either:
• At or above the 9th Grade level; or
• GED courses that are a structured, formal written basic skills curriculum designed to systematically address basic skills deficiencies and/or lead to passage of GED tests and award of a GED Certificate.

221 = Measurable Skill Gain – Secondary Transcript/Report Card; participant’s transcript or report card for secondary education for one semester is showing that the participant is meeting the State unit’s academic standards. (WIOA PIRL Data Element 1808)

230 = Post-secondary education – Enrolled in community or four-year college.

231 = Measureable Skill Gain – Educational Functioning Level (EFL); the participant who received instruction below the postsecondary education level achieved at least one EFL. EFL gain may be documented in one of three ways: 1) by comparing a participant’s initial EFL as measured by a pre-test with the participant’s EFL as measured by a participant’s post-test; or 2) secondary school programs that lead to a secondary school diploma or its recognized
equivalent, an EFL gain may be measured through the awarding of credits or Carnegie units: or 3) an EFL gain can occur for participants who exit the program and enroll in postsecondary education or training during the program year. (WIOA PIRL Data Element 1806)

232 = Measureable Skill Gain – Postsecondary Transcript/Report Card; the participant’s transcript or report card for postsecondary education indicates the participant completed a minimum of 12 hours per semester, or for part time students a total of at least 12 credit hours over the course of two completed consecutive semesters during the program year, that shows a participant is meeting the State unit’s academic standards. (WIOA PIRL Data Element 1807)

300 = Job Placement and Retention
305 = Resume Assistance – Service that provides participants who are looking for jobs with instructions on the content and format of resumes and cover letters.

310 = Job Search – Service that provides assistance to the participant in conducting a job search.

312 = Job Coaching – Staff assistance in interviewing skills and techniques or staff coaching in topics such as networking, use of social media and other activities designed to help the participant plan and carry out a successful job search.

315 = Job Search Training and Support (SNAP) – Staff assistance in job seeking techniques, which may include job skills assessments, job finding clubs, job placement services, or other training and support activities.

320 = Job Referral – Referral of participant to an open position.
321 = Self Directed
322 = Staff Assisted

330 = Job Development – Job placement assistance is a referral to a specific job resulting in an interview, whether or not the individual obtained the job.

340 = Career Counseling – Staff assistance with career goals and evaluation of progress, labor market exploration, and training information/opportunities in a one-on-one or group setting; includes ESL or Basic Skills preparation and applications for scholarships.

350 = Labor Market Information – The use of QualityInfo or Career Information System or other tools providing labor market information. Provision of workforce and labor market employment statistics information, including the provision of accurate information relating to local, regional, and national labor market areas, including—
(i) Job vacancy listings in labor market areas;
(ii) Information on job skills necessary to obtain the vacant jobs listed; and
(iii) Information relating to local occupations in demand and the earnings, skill requirements, and opportunities for advancement for those jobs.
351 = Self Directed Labor Market Information
352 = Staff Assisted Labor Market Information

360 = Follow-up – Assisting participants with maintaining or finding new employment after they have completed the workforce services (occurs after exit from the program).

370 = Completed Welcome Process
371 = Completed REA Welcome Process
372 = Completed REA 2 Interview Process
373 = Completed REA 3 Interview Process
374 = Claimants Completed Welcome Process and No REA
375 = SNAP Assessment
380 = Closure Service - A service specific to Vocational Rehabilitation which declares the service record has been closed because the participant achieved an employment outcome or the participant has not achieved an employment outcome but the service record is closed for other reasons.

400 = Skills Training

401 = Measureable Skill Gain – Training Milestone; the participant had a satisfactory or better progress report towards established milestones from an employer/training provider who is providing training (e.g., completion of on-the-job training (OJT), completion of one year of a registered apprenticeship program, etc.). (WIOA PIRL Data Element 1809)

402 = Measureable Skill Gain – Skills Progression; the participant successfully passed an exam that is required for a particular occupation, or progress in attaining technical or occupational skills as evidenced by trade-related benchmarks such as knowledge-based exams. (Response 02 within WIOA PIRL Data Elements 1303, 1310, 1315) AND (WIOA PIRL Data Element 1810)

403 = Prerequisite Training -- (Response 08 within WIOA PIRL Data Elements 1303, 1310, 1315)

404 = Remedial training – Training in the elementary skills that every worker must have in order to achieve basic employability. Remedial training often leads to occupational, on-the-job, or customized training that will equip the participant with specific job skills. (Response 07 within WIOA PIRL Data Elements 1303, 1310, 1315)

405 = Customized Training – Training designed to meet the specific requirements of an employer or group of employers with the commitment that the employer(s) hire an individual upon successful completion of the training. The employer must pay for a significant portion of the cost of training, as determined by the Local WDB. (Response 05 within WIOA PIRL Data Elements 1303, 1310, 1315)

406 = Occupation Skills Training – Training designed to prepare an individual with the skill and knowledge to enter employment in a specific occupation or group of occupations.

407 = Other Occupational Skills Training – NOTE: This code should only be utilized in rare instances when other codes are clearly not appropriate. (Response 06 within WIOA PIRL Data Elements 1303, 1310, 1315)

408 = Youth Occupational Skills Training – An organized program of study for out of school youth (OSY), ages 16 to 24, that provides specific vocational skills that lead to proficiency in performing actual tasks and technical functions required by certain occupational fields at entry, intermediate, or advanced levels. Such training must: (1) be outcome-oriented and focused on an occupational goal specified in the individual service strategy; (2) be of sufficient duration to impart the skills needed to meet the occupational goal; and (3) lead to the attainment of a recognized postsecondary credential. (Response 10 within WIOA PIRL Data Elements 1303, 1310, 1315)

409 = Other Non-Occupational Skills Training – (Response 11 within WIOA PIRL Data Elements 1303, 1310, 1315)
411 = OJT – On the Job Training provided to a participant by an employer, that is defined by a contract. If OJT is being provided as part of a Registered Apprenticeship program, choose code 414 Apprenticeship. (Response 01 within WIOA PIRL Data Elements 1303, 1310, 1315)

412 = Work Experience – Hire first training, provided to a participant by an employer, that is defined by a contract. Included in work experience are internships.

Definition:

A code indicating the source of the wages the third quarter after the participant exited the program.

Use the appropriate code to identify the method used in determining the participant's employment status in the first quarter following the quarter of exit. Wage records will be the primary data source for tracking employment in the first quarter after the exit quarter. If the participant is not found in wage records, grantees may then use supplemental data sources. If the participant is found in more than one source of employment using wage records, record the data source for which the participant's earnings are greatest.

Record 0 if the participant was not employed in the first quarter after the quarter of exit.
