-1,100 net jobs lost from June 2020 to July 2020

Labor Force and Industry Trends

Change in Industry Employment (by place of business)

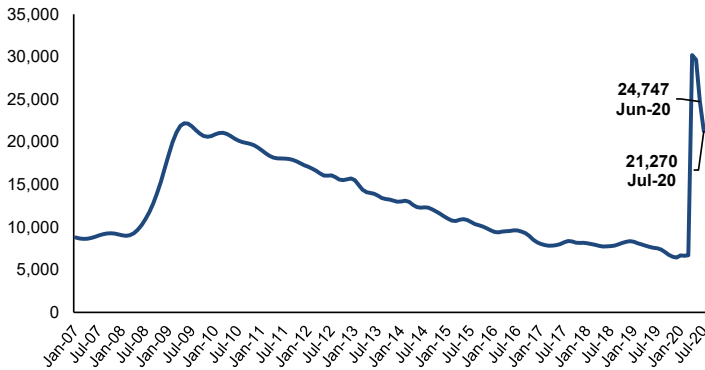

The county lost a net total of -1,100 jobs from June to July, ending up with an employment level of 150,100. The majority of job loss was seen in local government (education) which lost -2,500 jobs.

Some industries did gain jobs over the month; these included leisure and hospitality (600), professional and business services (400), state government (300), other services (200), and wholesale trade (100). The county has currently added back a net total of 2,300 or 12 percent of the jobs lost in the April pandemic month.

Unemployment by the Numbers

The number of unemployed residents in Clackamas County fell to 21,270 in July from 24,747 a month ago or by -14 percent. This is a good sign that more and more residents are going back to work.
