

Unemployment Rates (Seasonally Adjusted)

Unemployment Rate News

Morrow County's seasonally adjusted unemployment rate for June 2022 was 3.3%, while Umatilla County came in at 3.9%. Morrow County's rate was below Oregon's statewide rate and the national rate, both at 3.6%.

Morrow County's rate tied for ninth lowest among Oregon's 36 counties for the month while Umatilla County's ranked in a five-way tie for 19th.

Both counties' rates were their lowest June rates since comparable statistics began in 1990. Morrow County's rate was also its lowest for any month over that time while Umatilla County's rate was its second lowest.

Umatilla and Morrow counties (-1.5 percentage points) ranked in a five-way tie for 25th among Oregon's counties for over-the-year change.

Nonfarm Employment Change

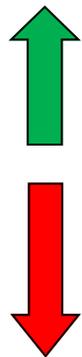

June 2021 to June 2022

Morrow County gained an estimated 30 jobs over the year. The private sector increased by 80 jobs. Construction, retail trade, and wholesale trade led gains while losses were led by professional and business services. The public sector dropped 50 jobs with losses in local and federal government while state government was unchanged.

Umatilla County employment decreased by an estimated 10 jobs over the year. The private sector lost 20 jobs. Losses were led by manufacturing, education and health services, and retail trade. Gains were led by leisure and hospitality and other services. The public sector added 10 jobs with gains in local education, federal government, and other local government overcoming losses in state government and Indian tribal.
