Mid-Valley Economic Indicators—Linn County (Albany MSA)

From January 2019 to January 2020, Linn County’s private sector gained 40 jobs while the public sector lost 80. The manufacturing industry led private sector employment gains over the year.

Travel season is fast approaching. Travel spending in the Mid-Valley, by commodity, generally grew from 2016 to 2018. Hopefully strong consumer sentiment and low gas prices will outweigh negative economic head winds to start off the season.

What Industry Has Added The Most Jobs?
January 2019 to January 2020
