

Mid-Valley Economic Indicators—Linn County

The seasonally adjusted unemployment rate for Linn County in June was 10.6 percent. Oregon's seasonally adjusted unemployment rate was 11.2 percent. Total nonfarm employment in Linn County for June 2020 fell 7.3 percent from June 2019. Continued unemployment claims (which count individuals who were eligible and received benefits) are down from 5,010 in May to 3,878 in June, but are still significantly higher than the level seen in the first quarter of 2020.

Our graph of the month shows the trend in the seasonally adjusted monthly unemployment rate. As can be seen from the graph, while unemployment rates are still inflated, the recent trend is improving.
