

**Special Topic: 10 Rapidly Growing Occupations**

These are some of the fastest growing occupations in the South Central region of Oregon. Five out of these 10 occupations are in the healthcare sector. The others are part of the professional, scientific, and technical services sector.

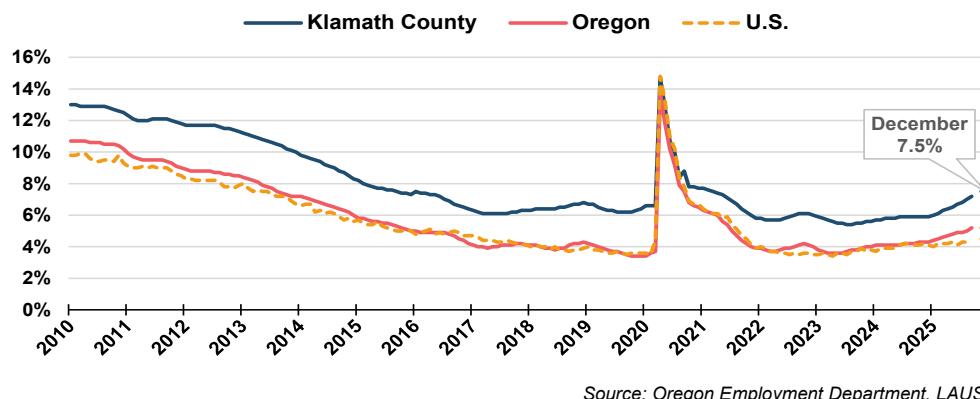

The typical entry level education for half of these roles is a Bachelor's degree. For some of these roles jobseekers are more competitive if they attain higher levels of education than what employers are seeking for entry level roles.
