

PRISM Performance Measures

1. Employment Rate* – The percentage of program participants who are in unsubsidized employment after exit from the program.
2. Median Earnings* – The median earnings of program participants who are in unsubsidized employment after exit from the program.
3. Entered Employment Rate* – Of those individuals who are not employed at the date of participation, the percentage of program participants who are in unsubsidized employment after exit from the program.
4. Wage Gain – Of those who were employed during the second and third quarters prior to the date of participation, and in the second and third quarters after the exit quarter; the percentage who had higher wages after exit.
5. Business Satisfaction – From a survey of employers; the percentage of survey respondents who gave favorable ratings to the overall quality of services they received, and the likelihood that they would recommend those services to others.
6. Individual Satisfaction – From a survey of individuals; the percentage of survey respondents who gave favorable ratings to the overall quality of services they received, and the likelihood that they would recommend those services to others.

*Performance Measures are available for 2, 4, 8, 16 and 24 quarters after exit.
