Employment in Tillamook County: September 2025

Federal Government Shutdown Pauses Employment Reports

The U.S. Bureau of Labor Statistics (BLS) suspended the monthly employment and unemployment reports for the nation, states, and metropolitan areas as of Oct. 1, 2025. Tillamook County's monthly jobs and unemployment rate for September are unavailable at this time.

Quarterly Employment and Wages

In the meantime, the Oregon Employment Department released the latest Quarterly Census of Employment and Wages (QCEW). The most current QCEW data provides employment trends and wages by industry through June 2025. The monthly employment numbers originally scheduled for release today would have included information for September 2025. The newest QCEW data shows that covered employment in Tillamook County totaled 10,083 in the second quarter of 2025, an increase of 35 jobs (0.3%) from the second quarter of 2024. The private sector lost 16 jobs over the year (-0.2%). Private education and health services gained 49 jobs between the second quarters of 2024 and 2025 (4.2%). Meanwhile, the construction industry shrank by 49 jobs (-11.1%) over the year.
